Disclaimer: Dual Electronics, Inc (DEI) does not do video touch-ups or editing. The video quality of the duplicates will reflect the originals - with the exception of some video loss on converted or transferred media. Consumer agrees not to hold DEI or its employees liable for damages or loss of original media. Federal regulations prohibit the duplication AND distribution of copyrighted materials. Customer is responsible to obey all national and international laws governing the duplication or distribution of audio/video media. Orders containing objectionable material or is copy-protected will be returned and a \$10 return charge will apply. Customer will respect any and all copyright laws and accepts all responsibility for any violation. Customer is requested to print the Audio/Video Conversion Request Form, complete it, secure it, and then to mail the video media to our address insured. Notifying us of the mailing via e-mail or phone call is also requested.

We thank you for your order – contact us at **sales@dualelectronics.com**

Cut on the dotted line below and paste our pre-addressed label onto envelop or box. Securely pack your audio/video media inside a padded envelop or box. Enclose this completed form and your payment. The order will be processed and mailed to you via insured USPS Priority Mail to the address you have provided.
